

BUZ_On

```
graph LR; BUZ_On[BUZ_On] --> GPIO_enumWritePinVal[GPIO_enumWritePinVal]
```

A diagram showing a call from a function to a GPIO write function. On the left, a gray rectangular box contains the text "BUZ_On". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "GPIO_enumWritePinVal". Both boxes have a thin black border.

GPIO_enumWritePinVal
