The diagram illustrates a file dependency structure. At the top, a grey-shaded box represents the header file 'V2V-STM32/Inc/Drivers/MCAL/SPI/SPI_interface.h'. Below it, two white boxes represent source files: 'V2V-STM32/Src/MPU9250_program.c' on the left and 'V2V-STM32/Src/SPI_program.c' on the right. Two blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
